

Art and Design

Art, craft, and design embody some of the highest forms of human creativity. At Moorfield we aim to provide a high-quality art and design curriculum which engages, inspires and challenges children, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design. They will be taught how art and design both reflects and shapes our history, and contributes to the culture, creativity, and wealth of our nation.

The national curriculum for art and design aims to ensure that children at Moorfield:

- Produce creative work, exploring their ideas and recording their experiences
- Become proficient in drawing, painting and sculpture and other art, craft and design techniques
- Evaluate and analyse creative works using the language of art, craft and design
- Know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.
