

**Coronavirus (COVID-19): Risk Assessment Action Plan for potential opening from 2<sup>nd</sup> September 2020  
Updated to include information for return to school from the beginning of Spring Term 2021**

**for Moorfield Primary School**

Assessment conducted by: Ian Bussey	Job title Headteacher	Covered by this assessment: <b>Staff, Pupils, Parents and Visitors</b>
Date of assessment: 24 <sup>th</sup> August 2020	Date of next review: ongoing	This document was written on 18 <sup>th</sup> May 2020 and includes the amended version for September issued on 24 <sup>TH</sup> August 2020 <b>Amended 5<sup>th</sup> October 2020</b> <b>Amended 14<sup>th</sup> October 2020</b> <b>Amended with Telford and Wrekin update 13<sup>th</sup> November 2020 (all purple and bold are based on the supplementary risk assessment for lockdown)</b> <b>Amended after lockdown 2<sup>nd</sup> December 2020</b> <b>Amended 5<sup>th</sup> January 2021 to reflect return to school Spring Term 2021</b>

The sole purpose of this risk assessment is to support schools in preparing for the possibility of reopening school from September 2020 , **while reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local authorities.

- For the purpose of this risk assessment, the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19).
- Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment.
- This risk assessment is not exhaustive and some of the controls will be dynamic. This is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- For further reference, <https://www.gov.uk/government/latest?departments%5B%5D=department-for-education>, including the documents below, issued on the 11 May 2020:

<b>Key:</b>	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive, and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context.
Impact:	Could be L/M/H or numeric, depending on what is used in the school setting.
Likelihood:	Could be L/M/H or numeric, depending on what is used in the school setting. <b>NB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.</b>
Responsible person:	The identified staff member(s) responsible for implementing the risk controls Deputy Head Teacher Sign Ian Bussey Date 22 <sup>nd</sup> July 2020 Chair of Governors sign <i>Andy Hutchinson</i> Date 22 <sup>nd</sup> July 2020
Completion Date:	27.5.20 <b>To support planning, identify which controls need to be in place before pupils return to the setting. Individual schools can then personalise to their own setting.</b>
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.

Mental Health and Wellbeing for pupils	Medium	<p>The government has recently launched the Wellbeing for Education Return programme, which will provide training and resources for teachers and staff in all state funded schools to respond to the wellbeing and mental health needs of the children and young people as a result of coronavirus. The training provides practical examples to support staff, children and young people within a school.</p> <p>Local authorities have received funding to employ skilled staff to deliver the training to schools and provide ongoing advice and support from Autumn to March 2021</p>	<u>Medium</u>	<u>Medium</u>	<u>IB</u>	<p><u><a href="#">02/09/2020 Ongoing</a></u></p> <p><u><a href="#">Updated 13/11/2020</a></u></p>
