

Dear Parents/Carers

Below you will find a timetable for the week beginning 1st March 2021.

This is what the children in school will be working from too.

Please email in your work as often as you can so that we can see how hard you are working at home. The email address is MoorfieldBaseNine@taw.org.uk

There are lots of opportunities for us to meet together this week. On Tuesday at 2pm we are going to have an online baking session and make a yummy chocolate mug cake together. If you would like to join us you will need to bring an adult and the following.....

4 tablespoons self-raising flour
4 tablespoons caster sugar
2 tablespoons cocoa powder
1 egg
3 tablespoons milk
A big mug
A fork or spoon for mixing
A microwave

On Wednesday at 11.30 we will also be playing a two-digit number bingo game to help us to learn how teen numbers are made. If you want to practise beforehand, we will be using numbers 11 to 19. As usual there will also be a story session to end the week on Friday.

Please keep logging onto the www.activelearnprimary.co.uk website. It has lots of lovely 'Phonic' books for you to read.

As always keep in touch and thank you for all the hard work and support that you are giving to the children and the school.
Mrs Branch

Maths Unit - Doubling and Halving

English Unit - The Little Red Hen
